2011 Caregiver Fundraiser - Caregiver Nomination Form

Gifts and Donations to benefit and support Caregivers in the Ulster County area.

Nominate A Caregiver

During this holiday season, TheCommunityGuide.net, published by First Connections, Inc., would like to honor, recognize, show appreciation, and help support Caregivers, who tirelessly give the gift of themselves everyday.

In our conversations with individuals, non-profit agencies, and others, Caregiver Wish Lists include much needed respite, R&R, massage, pampering gifts, meals, recreation, durable goods not covered by insurance, home improvement services, pet services, computer repairs, gifts, health & wellness services, and more.

Do you know a local Caregiver that needs a break, some much needed TLC, or support? Please nominate them to receive gifts and donations, and let us know what their specific needs are. **WE DO REQUEST THAT YOU TALK WITH THE CAREGIVER FIRST AND LET THEM KNOW THAT YOU WOULD LIKE TO NOMINATE THEM.** Thank you.
